## Community Engagement Survey

The Columbus Division of Police wants to hear from you!

Community service plays an important role in the daily interactions between Columbus Police officers and those they encounter. Building relationships while assisting those in need is paramount.

From March 3, 2021 through May 3, 2021, we are looking to the community for feedback through a survey that will allow us to measure awareness and perceptions regarding the effectiveness and success of the Division.

The survey is designed to gather information to build stronger relationships between police and the community.

Please help us continue to improve our service to our communities by providing feedback.

The survey can be accessed at <https://www.surveymonkey.com/r/38Q5GF3>. A link has also been posted on our homepage at [www.columbus.gov/police](http://www.columbus.gov/police).

Media inquiries can be made directly to Commander Nick Konves at 614-774-7646.
